

A place to record final wishes, requests and everything a family will need.

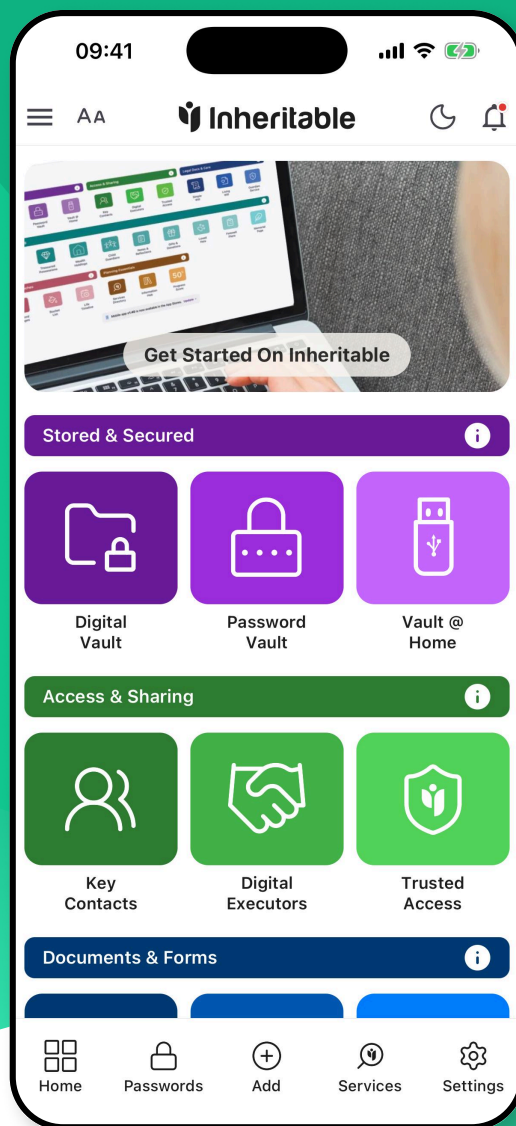

Secure Vaults

Service Directory

Simple to Use

Farewell Plans

Customers set out their funeral wishes, from music and readings to burial or cremation, so nothing is left to guesswork.

Digital Executors

The people they name receive the right information at the right time, during the hardest week.

Kept up to date

People maintain their own details, so the picture is current when it is needed most.

Memorial and messages

Members write their own words and leave messages for loved ones, a farewell that feels personal.

Everything in one place

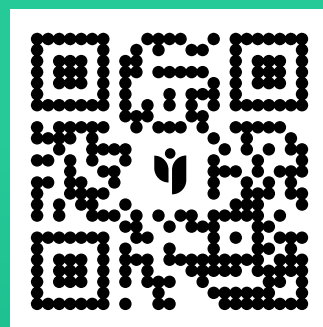

Documents, accounts, contacts and wishes, organised so the family is not searching through drawers and inboxes

Service Directory

When a family needs a funeral director, they find one in their area, the moment they are ready.

What we all need!

Keep Track

Funeral wishes, recorded

Music, readings, venue, burial or cremation, and who to notify, captured while the person could still say so.

Trusted Access

People share what they choose with family or an adviser, now or later.

Afterword Messages:

Messages in text, voice or video, delivered to the people they love, when you're not around.

Documents and accounts:

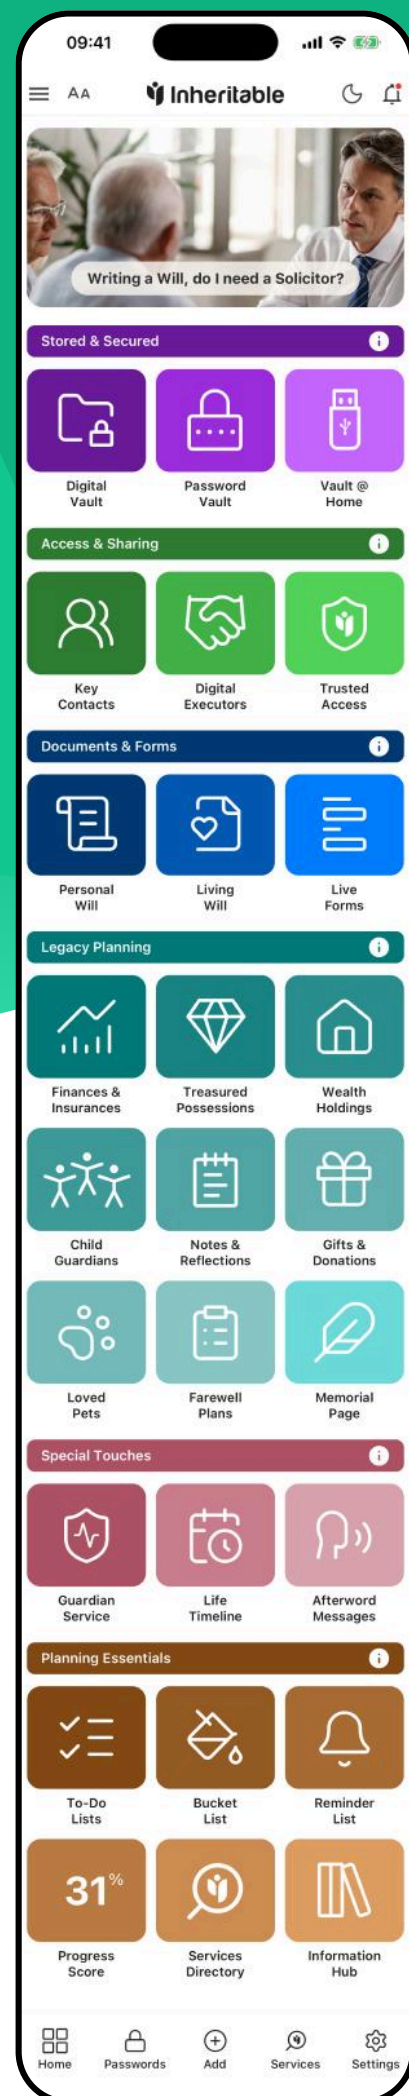

Wills, policies, key papers and logins kept together, so executors are not left guessing.

Memorial Page

A place for their own obituary and parting words, in their own voice.

Find a funeral director

A curated Service Directory, so the family reaches a trusted local provider without a frantic search.
